Complete Shorthorn Dispersion

"The Largest Sale Of The Century"

SATURDAY, FEBRUARY 25, 1967

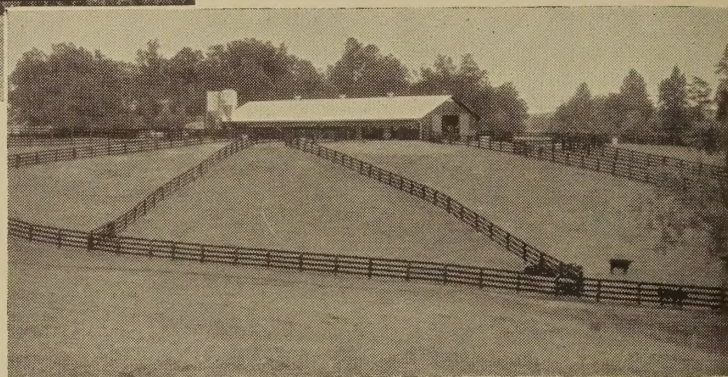

At The Farm On Free Union Road
Charlottesville, Virginia

The farm office at Lewisfield also houses one of the world's foremost collections of Arabian horse art. The sale will be held in the enclosed, heated arena adjacent to the office.

The Largest Shorthorn Dispersion Of All Time

Where new herds will be founded!
Where great herds will be strengthened!
A trip you will never forget.

Shorthorn headquarters at Lewisfield is practical and well-maintained. Note the open barns and large exercise lots.

IT IS WITH sincere regret that we at Lewisfield made the decision to disperse the Shorthorns. However the decision was a necessary one. The confidence placed in us by our fellow breeders from throughout the world has been an inspiration. You have been our constant encouragement. The history-breaking spring Lewisfield sale was a milestone, not only for us but also for the entire breed. At that time we had every intention of progressing full speed ahead to continue what you endorsed as a sound breeding program.

However, increasingly more of my time is being spent away from the farm and I find that more and more demands are being made by my other interests. Although that might have been a surmountable obstacle, four years of the worst drought Virginia has ever seen is not. The cost of maintaining the cattle in working condition in such weather is phenomenal. So, rather than let the herd deteriorate, we have made the decision to sell everything.

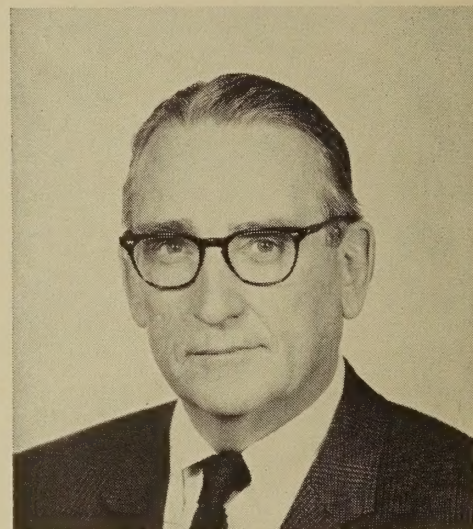

We believe in our Shorthorns and can guarantee everything to be in good health to the best of our knowledge. Consequently, everything sells backed by the standard guarantee of the American Shorthorn Ass'n with a few exceptions which will be announced from the auction block.

The sale catalog that follows provides ample history of the herd. I urge you to study it carefully and to come as early as you like before the sale to inspect the entire offering. We will do everything possible to provide for your comfort.

Virginia is a particularly beautiful and historic spot that would provide a wonderful vacation for the entire family. Why not plan to spend a day touring this famous countryside?

My wife, Hester, our son, Fielding, and cattle manager Bob Magill extend a most cordial welcome to you. We sincerely hope your purchases do as well for you as they have for us and that you can continue the program that we are not permitted to finish. Please remember that our friendships with Shorthorn and Polled Shorthorn breeders from throughout the country are valued ones and our association with you has been a memorable one.

ON THE FRONT COVER

Greeting you at the main entrance to Lewisfield is Roan Lad of Northwood x, the massive son of the 2,670-pound Clipper King of Bapton x. Note his exceptional size, thickness and grand feet and legs. He is one of the truly great young stock bulls of this or any breed and has been acclaimed by all who see him as near ideal. Only a three-year-old by sale day, he has served more than 100 cows, many of which sold in the spring sale.

The Michie Tavern was the home of Patrick Henry and was a frequent meeting place for Thomas Jefferson, James Monroe, James Madison and Andrew Jackson. It is open daily from 8 to 5 p.m.

Thomas Jefferson designed the world-famous Monticello in Charlottesville as his own home. Open daily, it is maintained today as a national shrine. Be sure to visit it when in Charlottesville for the Lewisfield sale.

Step into History With a Visit to Charlottesville

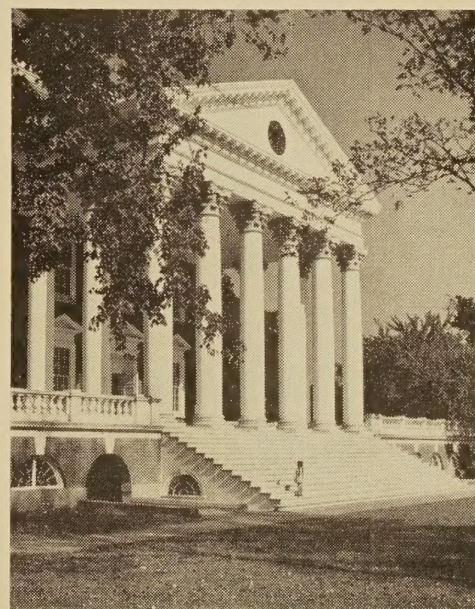

Plan an Educational Trip

A VISIT TO historic and beautiful Charlottesville, Va., is like a step into history. Here is Thomas Jefferson's famous Monticello as well as Ash Lawn, the home of President James Monroe, and Michie Tavern where Patrick Henry was reared. The Albemarle Court House, which now contains Jefferson's will, was a frequent meeting place for Jefferson, Monroe and James Madison. The University of Virginia is located here together with Jefferson's birth place and the world-famous statue of Stonewall Jackson.

Nearby is Richmond, capital of Virginia, and once capital of the Confederate States. Within easy driving distance is Williamsburg, historically restored capital of Colonial Virginia, and Jamestown, site of the first permanent English settlement in America, and Yorktown, where the nation won its independence in 1791.

One of the most scenic drives in the nation is over the Blue Ridge Parkway and Skyline Drive and just over the mountains lies the beautiful Shenandoah Valley, renowned for its scenery and for the many Civil War Battles fought there. Here are many natural wonders, among them Natural Bridge and the famous caverns of Virginia. Of course, Washington, D. C., is only an hour away. Also convenient is Staunton with its birthplace of Woodrow Wilson and Lexington with the homes and tombs of Robert E. Lee and Stonewall Jackson.

Lewisfield or the sale manager will be glad to help you with reservations and plans, but we suggest you write directly to the Charlottesville Chamber of Commerce, Box 1564, Charlottesville, Va., 22902. Mention you will be attending the sale.

The rotunda of the University of Virginia is a monument to the artistic skill of Thomas Jefferson. Located in Charlottesville, it is a "must" for your visit to the city. Open daily.

TWO INTERNATIONAL CHAMPIONS BY SHIRGARTON RANGER

MISSIE OF ELDAK 72nd by Shirgarton Ranger was 1961 International reserve grand champion and later sold at \$4,100 to Melbourne Farm, Big Rock, Ill., where she produced the \$3,700 Melbourne Missie Eliza, American Royal grand champion female.

TK ELDAK ROMANCER was supreme champion of the 1964 International Livestock Exposition. He is a son of Shirgarton Ranger from the fabulous Missie of Eldak tribe. Twelve Missies and 45 daughters of Shirgarton Ranger sell on February 25.

Shirgarton Ranger THE \$20,000 "MIRACLE BULL"

SHIRGARTON RANGER, the \$20,000 "Miracle Bull," is acknowledged throughout the industry as a show bull and a sire of unparalleled stature. After his importation from Scotland, in 1960 Ranger was grand champion at the American Royal, Edmonton, Grand Forks, Billings, Great Falls, and reserve senior champion and winning two-year-old at the International Livestock Exposition.

He sired the 1961 International reserve grand champion female that later sold at \$4,100 to Melbourne Farm, Big Rock, Ill., where she produced the \$3,700 Melbourne Missie Eliza. Like their sire, both females were grand champions of the American Royal.

In 1961 Rangers swept the shows. That winning herd included the undefeated senior get-of-sire of the year including the International and a number of All-Americans.

Ranger also sired TK Eldak Romancer, the 1964 International supreme champion bull, and was the sire or grandsire of the bulls in the winning two-bull and three-bull groups that year. In 1965 a Ranger grandson was reserve champion of the International Congress while two daughters were senior and reserve senior champions of the Pennsylvania National. Ranger daughters to date have averaged well over \$1,000.

Ranger himself is by the 1956 Perth first-prize winner Beaufort Caution that was by the 1954 Perth supreme champion Burnton Bankbook. The dam of Shirgarton Ranger, Shirgarton Rosemary, was one of the best cows in Scotland. She was by Crieffvechter Fortune, a top bull at Perth that was sold to the Argentine.

Here will be the last opportunity to buy daughters and granddaughters of Shirgarton Ranger in quantity. Forty-five daughters sell.

Good From Any View

MAKE NO MISTAKE, Shiregerton Ranger inherited his right to greatness from one of the breed's most prepotent pedigrees. Equally important, however, is his superb individuality. He's old now and not as impressive as he once was, but the photos on this page show his great character. In the picture below examine the exceptional thickness of loin and quarter that is the mark of all the Ranger progeny. We consider strength of rear-quarters the most important asset of a real beef bull and Shiregerton Ranger has it in abundance.

The undefeated get of 1961, including the International, were these four by Shiregerton Ranger. Shown by Eldak Cattle Co., they are Eldak Red Ranger, Eldak Randolph, Missie of Eldak 72nd and Princess Royal of Eldak 20th.

ROAN LAD OF NORTHWOOD x — With most sincere regret we part with Roan Lad of Northwood x. He has been universally acclaimed as one of the great bulls of the era. Undoubtedly his influence will dominate the breed for generations. By Clipper King of Bapton x, the 2,670-pound imported stock bull at KC and Royalty Farms, Roan Lad continues that tradition of size with quality. Clipper King headed the Beef Shorthorn team at the "Off the Grass" demonstration at Harrogate England. Bapton Fair Clipper, one of the best females at Bapton, was by Calrossie Constellation, the undefeated sire of Great Britain in 1957. Her dam, Fair Clipper 45th, was the unbeaten female of 1956. She was also the dam of the 1959 "Bull of the Year," Bapton Northward Bound. Calrossie Highland Leader was one of the best sons of Kirkton Baronet and was used at Millhills. Coronet Max Leader 3rd x was the Thieman-bred bull selected to start the famous Bapton Polled Shorthorn project. He weighed 2,352 pounds before being exported to New Zealand after three years at Bapton.

Glastullich Pam Clara was one of the best cows in the great old Northwood herd. She was by Calrossie Hyperbole, acclaimed as a sire of females of exceptional merit. Pam Clara is the granddam of Fernwood Gold Medal, junior stock bull at Melbourne Farm, Big Rock, Ill. Calrossie Ocean Wave wrote breed history in the herd of Mrs. Hugh Fenwick's Boll Weevil Plantation, Waynesboro, Ga., where he sired, among others, the International grand champion Brawith Betsy 2nd.

Just three by sale day, Roan Lad has served more than 100 cows naturally. Many of these sold in the spring sale and reports from their new owners indicate they are exceptionally well pleased. After heavy service, Roan Lad was exhibited at the Eastern National Livestock Exposition where he was reserve grand champion.

After the sale the remaining supply of frozen semen will be shipped to the new owner. Two-thirds interest and full possession sells. The remaining one-third is retained by Lewisfield manager Bob Magill.

Here are a few of the daughters of Roan Lad of Northwood x at Lewisfield. They all sell on February 25.

Shown are the sire and dam of Aberfeldy Gold Dust. His dam, Saltoun Princess Margaret 12th, (left) is by Beaufort Cup-tie, known everywhere as a sire of females of character. She is a representative of the famed Saltoun Rothes Queen family that has produced more stock bulls than any other family in history. His sire, Aberfeldy Royal Robin, (right) must rank as one of the best. For Aberfeldy he has sired Aberfeldy Field Marshal and Aberfeldy Deacon, both International supreme champions. Three All-American senior gets-of-sire have been by him as well as 19 All-American nominees. Aberfeldy Gold Dust represents a cross of two of the breed's best individuals.

The All-American Aberfeldy Gold Dust

ABERFELDY GOLD DUST was purchased at a long figure in December of 1965 from Canada's century-old Aberfeldy herd. Every day since, as the bull has developed, that price has looked smaller.

Only a two-year-old last October, Gold Dust's first calves are on the ground. One of the first is the white calf pictured below that sold in dam to J. C. Eller, Culpeper, Va., who calls him an exceptional prospect. Gold Dust is the service sire of 76 females in the sale and others already have his calves at foot. Despite this heavy natural service, he has grown into a stock bull of great size. He will easily be a ton bull in breeding condition.

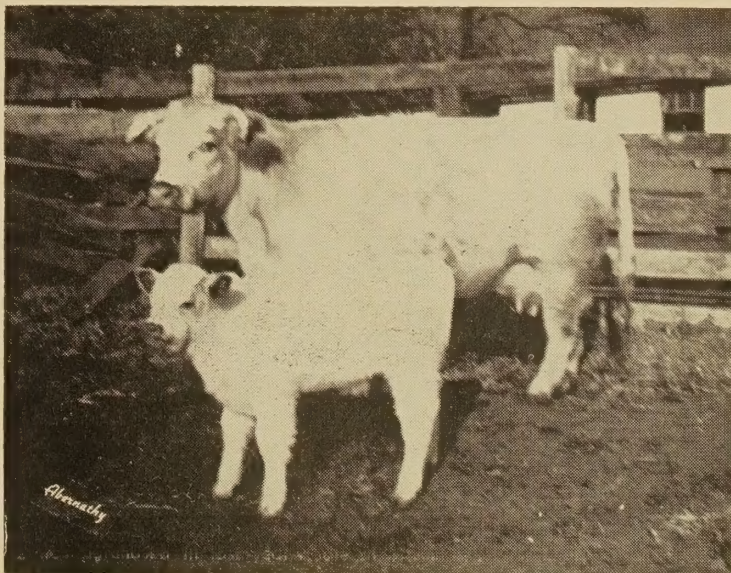

His sire, Aberfeldy Royal Robin, must rank as one of the all-time breed greats. For Aberfeldy he has sired Aberfeldy Field Marshal and Aberfeldy Deacon, both International supreme champions, and the International reserve grand champion Aberfeldy Exchequer. He also sired the winning get-of-sire for four consecutive years at the Royal Winter Fair and his sons won four consecutive bull championships there. In addition three All-American senior gets-of-sire have been by him as well as 19 All-American nominees and an International reserve grand champion female.

The dam of Aberfeldy Gold Dust is a sterling representative of the famed Saltoun Queen of Rothes tribe that unquestionably has produced more stock bulls than any other in history. A son, Aberfeldy Drum Major, is in service for Roger Applegate, Oakland, Iowa, where he has sired numerous champions and All-Americans. Another son, Aberfeldy Editor, was an International winner and now is in service at Creek Shorthorns, Liberty, Ind.

Saltoun Princess Margaret 12th is by Beaufort Cup-tie, known everywhere as a sire of females of exceptional sweetness and quality. An-

other female from this same Saltoun tribe was undefeated grand champion of 1963 wherever shown for KC Shorthorns, Kansas City, Mo.

Following the sale, the remaining supply of frozen semen from Aberfeldy Gold Dust will be sent to the new owner.

Remital Daisy is shown with one of the first calves by Aberfeldy Gold Dust. She was purchased in last year's sale at \$1,300 by J. C. Eller, Culpeper, Va.

THOSE OF YOU looking for invigorating new outcross blood will find it in Dungarthill Jason. He is by the well-known Baldowrie Braemar, a grandson of Kirkton Heir. His dam is one of those valued Millhills Jealousy cows that have produced long and well for everyone who has owned them. Calrossie Highland Leader was easily one of the best sons of Kirkton Baronet, that, in turn, probably appears in pedigrees of as many prominent cattle as any sire in history. Kinsman was the sire of Millhills Fantasy that appears in many pedigrees in this catalog. His daughters are known for their exceptional size and substance.

At Perth in 1952 three sons of Kinsman averaged \$4,662 and scored a lifetime average at Perth of \$2,247.

In his first crop of calves Dungarthill Jason sired TK Eldak Justin, an All-American that was second in class at the International and a member of both winning bull groups.

He is also the sire of TK Princess Royal of Eldak 29th that was grand champion of the International Congress Sale where she sold to Kickapoo Farms, Kenosha, Wis. Another daughter, Lewisfield Duchess of Gloster 10th, sold among the tops at this year's International Sale.

Jason is still a young bull, active and sure, and he should prove a good investment at any price.

From left to right are LEWISFIELD ROSEWOOD 36th, Lot 205 and LEWISFIELD DAISY 5th, Lot 185. Both are daughters of Dungarthill Jason.

TK ELDAK JADE, a son of Dungarthill Jason, was top-selling bull of the Claymore Farms Dispersion, Spencer, Iowa, in 1966. He went to Ekness Bros., Grand Forks, N. D.

DUNGARTHILL JASON, Lot 3

Here Is One of the Last Opportunities to Buy Full Interest and Possession in a Recently Imported Stock Bull.

TK PRINCESS ROYAL OF ELDAK 29th by Dungarthill Jason was International Congress champion female where she sold to Kickapoo Farms, Kenosha, Wis. She was also grand champion of the Wyoming State Fair, reserve grand champion of the South Dakota State Fair, and reserve senior champion of the North Dakota State Fair before winning All-American honors.

TK ELDAK JUSTIN by Dungarthill Jason was second in class at the International and a member of the first-prize bull groups. Earlier he had been grand champion of the Grand Forks State Fair and reserve grand champion of the Minot and Montana State Fairs. Later he was nominated for All-American honors. He is now in service for Ekness Brothers, Grand Forks, N. D.

LEVELDALE LANCER

LEVELDALE LANCER was purchased as the \$5,000 top of the 1964 Leveldale sale from Les and Gene Mathers. Since then he has done well and his calves at Lewisfield are soggy prospects with exceptional heads.

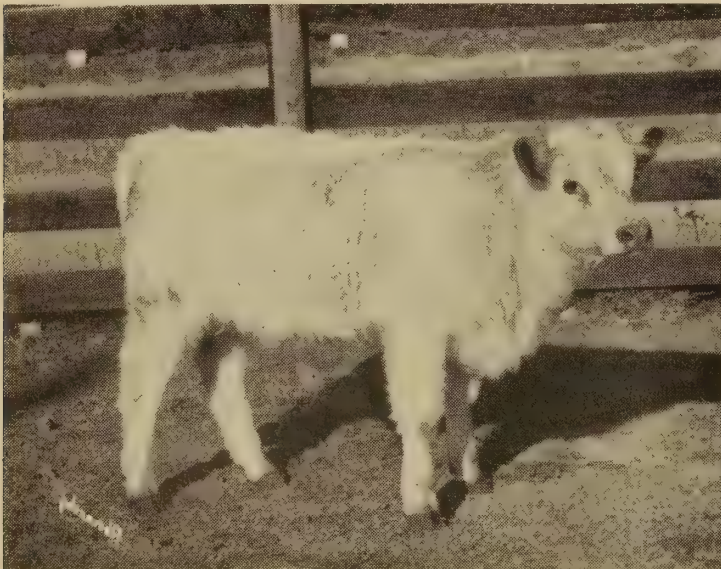

Lancer is by Woodhead Tribute, the imported sire now in service for German Stock Farm, Romney, Ind. He is by Pittodrie Robin, sire of the \$18,000 Perth top-selling Lawton Winner. Robin was junior champion of the Royal Highland show in 1959 and won the Casares Cup. He was also male champion at Alyth in 1960 and champion at Crieff and Kinross in 1961. Beaufort Captive was purchased by Pittodrie at Perth for \$12,000. He was the winner of the Casares Cup and junior memorial cup at the Royal Highland show in 1956. Burnton Bank Book was Perth Supreme champion in 1954 where he sold for \$21,900. In 1955 he was supreme champion of the Royal Highland and eight of his sons averaged \$4,605 in Perth sales.

Leveldale Lovely Lana is one of the choice cows in the Leveldale herd and was shown successfully as a calf. Westdrums Pablo was top-selling bull of his year at Perth at \$18,000. He was by Erimus Emeritus that was perhaps the best son of Kirkton Challenger. Westdrums Prince Ian served long and well in the Lone Star Herd of R. E. Smith, Houston, Tex.

LOT 6

ELDAK RED RANGER

ELDAK RED RANGER was selected to follow his illustrious sire at Lewisfield, and it took \$10,000 to buy an interest and possession from Claymore Farms, Spencer, Iowa. As a calf Red Ranger won his class at the International, was a member of the undefeated senior get-of-sire of 1961 and went on to All-American honors. He was reserve junior champion of the 1961 American Royal, grand champion of the Minnesota State Fair and junior champion of the Edmonton International as well as a member of the winning groups at all of those shows.

Red Ranger is perhaps the best son of Shirgarton Ranger that needs no further discussion. Remember, however, that the grandsire, Beaufort Caution, was a Perth first-prize winner sired by the 1954 Perth supreme champion Burnton Bankbook.

Red Ranger is out of the grand Eldak Verbena H 4th that sells as Lot 9. She is a truly outstanding cow, and the kind that anyone could be proud to have as the mother of his stock bull. The Verbenas at Lewisfield are among the strongest and most prolific cows. Aldie March Dust sired long and well at the old Eldak Cattle Co. herd. He was by Calrossie Adonis that also sired Aldie Jonathan Adonis, the grandsire of Bapton Constructor.

Helfred Verbena 21st cost \$900 as a senior heifer calf at the 1949 International. Her first son sold for \$1,500.

Bapton Major represents the best of the old-line Bapton breeding that dominated much of the Shorthorn business of the world for two decades.

Selling ~~two-thirds~~ interest and full possession.

ELDAK VERBENA H 5th — Easily the best daughter of Muirside Envoy at Lewisfield, we recommend her highly. Her dam is a full sister to the dam of Eldak Red Ranger, stock bull here. Look carefully at the sires in the pedigree — each is responsible for an important contribution to the breed over the last two decades. Sells with an outstanding heifer calf at foot by Aberfeldy Gold Dust and will probably be rebred to him.

EXPERIENCE HAS demonstrated forcibly that no animal can produce better cattle than its inheritance will permit. That's why Lewisfield is so proud of its valued Verbena tribe. Year after year they have produced good ones. Each of them has a heritage star-studded with imported blood, champions, and sound, dependable cattle that have spread their influence over the country.

Naturally, the first two generations are important in any pedigree . . . but never under-estimate the importance of the generations further back . . . for if there is a plain animal in the pedigree, cattle will tend to breed back to it. The generations of Verbenas at Lewisfield and Eldak prove without a doubt their ability to breed superior cattle.

Eldak Red Ranger is a good example. He was undefeated as a show

bull including the International and it took \$10,000 for Lewisfield to acquire two-thirds interest and possession.

Lewisfield Verbena is another outstanding member of this tribe. She sold in the 1966 sale to Dr. A. F. Haight, Tucker, Ga., at \$1,925. Previously she was senior champion of the Eastern National and grand champion of the Dixie Classic and South Carolina State Fair.

In North Dakota the Verbenas produced long and well for the Elkens, and their show records are an important part of breed history in the wind-swept Upper Midwest.

The greatest satisfaction for any breeder is to see his cattle do well for others. We firmly believe that the Verbenas will be real improvers for generations to come. They are the kind for the buyer who can't afford to guess.

MARIGOLD OF ELDAK 18th — With great pride we offer this sterling member of the famed Marigold of Eldak family. Marigold of Eldak 3rd was undefeated wherever shown by Gilbert Elken. This is also the family that produced Lewisfield Rival. A two-thirds interest in Rival sold for \$3,150 in the 1966 sale. Aldie March Dust produced long and well at Eldak and many of his sons and daughters were show and sale tops. This will be the last opportunity to purchase daughters of Shirgarton Ranger in quantity and this is a good one. Examined safe in calf to Dungarthill Jason. *\$500 Ashbourne*

LEWISFIELD MARIGOLD 11th — Here is a truly outstanding young female . . . the kind that makes breeding cattle a real pleasure. She is by our All-American Eldak Red Ranger and from the valued Marigold tribe. The pedigree contains crosses of two of the best families in the entire herd—the Marigolds and the Verbenas. This heifer is from the same dam as Lewisfield Rival that sold in our 1966 sale at \$3,150 for two-thirds and the \$2,300 Marigold of Eldak 15th that is still producing at Kickapoo. Bred to Aberfeldy Gold Dust. *12/22/67*

LEWISFIELD WINDSOR BELLE 19th — Usually in any large herd of cattle, one finds three or four cow families that are usually consistent producers. The Windsor Belles certainly rate that distinction at Lewisfield. This daughter of Shirgarton Ranger descends from a granddam that must rank as one of the greatest cows in the herd and, we think, on the continent. The 19th was born prematurely and weighed only 15 pounds at birth. However, she raises good calves and is an excellent milker. A son of the 19th by Leveldale Lancer was sold as a baby calf to Claymore Farms, Spencer, Iowa, where he has developed exceptionally well. Will be bred to Aberfeldy Gold Dust. 4/17/67

LEWISFIELD IVORY BEAUTY — Very few daughters of Calrossie Diadem have ever been sold. The three that have left Bilmar Farms have averaged \$2,000 as open heifers. Calrossie Diadem sired four consecutive Perth champion and/or top-selling bulls. His senior get won 1965 All-American honors and was undefeated in seven of the biggest shows in the country in 1966. A son sold for \$10,100 for two-thirds to Acadia and in turn sired the recent National Western reserve champion bull. The dam of this outstanding heifer was purchased in the 1964 Bilmar sale for \$1,000. Bred to Aberfeldy Gold Dust.

VON BER MAR BELLONA 4th — Pedigrees like this are valued in any herd. Von Ber Mar Roan Robin was grand champion of the National Western. Kair Masterkey was Perth reserve supreme champion and a half brother to the International reserve grand champion Kair Ranger. The Saltoun females have perhaps produced as many stock bulls in leading herds as females from any herd in the world. The Bellona tribe is rare these days since few ever left Scotland. This female was bred young and did a good job of raising a calf without help. Examined safe in calf to Roan Lad of Northwood x.

CLUNY CLARA LINDA — How often these days are you able to purchase an imported female from Scotland's century-old Cluny Castle? This is one of the best with emphasis on size, scale and character. A member of the same tribe brought \$2,000 in the 1966 sale from Melbourne Farm, Big Rock, Ill. A daughter of this one sold for \$1,200 in the same sale to Aberfeldy, Milton, Ont. Be sure to check the brilliant array of stock bulls in the pedigree. Examined safe in calf to the All-American Aberfeldy Gold Dust. *White heifer - 12/20/66*

Roan, Gilbert Elken, Jr.

LEWISFIELD AUGUSTA MAID — This valued daughter of Shirgarton Ranger combines Millhills Fantasy and Dryn timer Royal Oak, two bulls that were responsible for most of the best at Eldak. She is a full sister to Eldak Rodney, one of the first and most successful Ranger show bulls. Another full sister also sells. Here is a consistent producer and good milker that is bred to the All-American Aberfeldy Gold Dust.

PRINCESS ROYAL OF ELDAK 25th — A cow family that is noted for their consistency. This pedigree represents our most successful cross, that of Shirgarton Ranger and Millhills Fantasy. A full sister was grand champion at the Virginia State Fair. Be sure to see her dam which sells as Lot 155 with a white heifer calf at foot by Aberfeldy Gold Dust. This female sells with a heifer calf at side by Roan Lad of Northwood x, and is rebred to Aberfeldy Gold Dust 1-23-67. *ag. \$725 Black Walnut Farms Dec.*

LEWISFIELD PRINCESS ROYAL — When modern Shorthorn history is written, a special chapter must be reserved for Shirgarton Ranger whose daughters are acknowledged the world over for their breediness and thickness. Special mention must go too to the Princess Royals of Eldak that have produced so many show and sale tops. This good heifer combines both, along with wonderful size and character that mark her a wise investment. Her bull calf at side by Aberfeldy Gold Dust proves her ability as a producer.

LEWISFIELD ROSEWOOD 35th — Like most of the Shirgarton Ranger daughters, this one is very breedy-headed, straight-lined and thick. Her maternal sister by Dungarthill Jason sells as Lot 205 and some far-sighted breeder would be well-advised to buy the pair to establish this reliable family. She sells with an adopted bull calf at foot by Aberfeldy Gold Dust and out of Lewisfield Rosewood 36th.

Lewisfield is easy to reach. From the Mt. Vernon Motel, sale headquarters, travel west on Route 29 to Barracks Road. Go five and one-half miles north to Free Union Road which goes directly by the Lewisfield main gate. We also recommend the Holiday Inn and the Thomas Jefferson Inn. All motels are within a block of each other as shown above.

TERMS AND CONDITIONS:

Location — Lewisfield, Charlottesville, Va. The sale will be held at the home farm on Free Union Road. For complete directions see the map above.

Time — Saturday, February 25, 1967. Auction starts at 10 a.m. E.D.T.

Telephones — Farm office 703-973-6306. Bob Magill 703-973-6268. The office telephone is near the sale arena. Calls placed to that number will reach members of the sale staff while the auction is in progress.

Sale Headquarters — Mount Vernon Motel, Charlottesville, Va. Although a large number of rooms have been set aside, we urge you to write for reservations in advance. Write Burt H. Verburg, manager, Mt. Vernon Motel, Charlottesville, Va., 22902. The motel is at the intersection of U. S. 29 and 250 and is only a short drive from the farm.

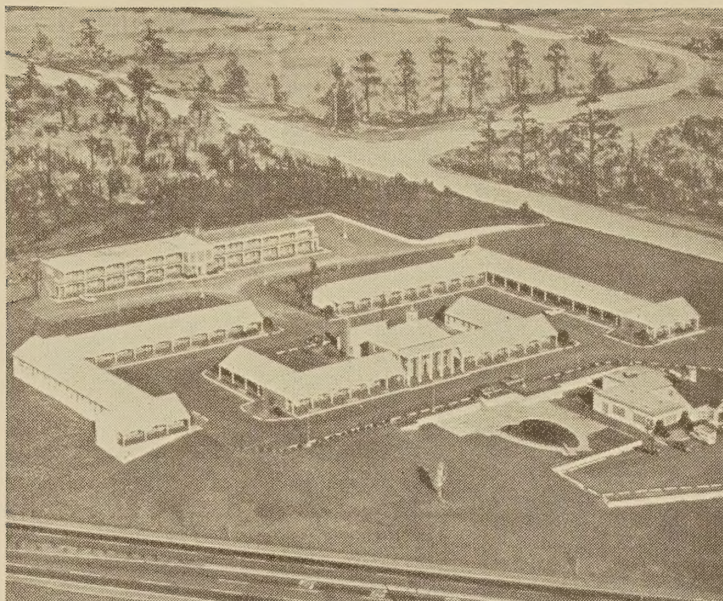

Transportation — Charlottesville is served by Piedmont Airlines and is on the main lines of both the Chesapeake and Ohio and the Southern Railways. U.S. Highways 29 (north and south) and 250 (east and west) and State Route 20 (north and south) also serve the area. Those traveling to Washington, D. C., will find easy rail, plane or highway connections to Charlottesville. If notified in advance, the staff of Lewisfield will be pleased to meet your train or plane in Charlottesville.

Health — The Lewisfield herd maintains high productivity standards and exercises the most stringent health measures. All females have been calthood vaccinated. Each animal selling has complied with the health regulations of Virginia but **buyers should make themselves aware of any variance between the laws of Virginia and of their home states.** A qualified, licensed veterinarian will issue interstate health papers on sale day. Each of the bulls selling will be semen tested and all of the females selling will be pregnancy checked if they have been in calf for three months or more. The herd has had a negative test in the last 12 months. Application has been made for federal accreditation and certification.

Guarantee — All cattle will be sold under the standard guarantee endorsed by the American Shorthorn Ass'n with a few exceptions, which in each case will be announced from the auction block on sale day.

Terms — Terms of the sale are cash or check to the clerk at the conclusion of the auction unless other arrangements are made in advance with Lewisfield and the sale manager. All sales are final as soon as bid off and constitute a contract between buyer and seller. Lewisfield, its owners, employees and management are not responsible for accidents that may occur. All attending this sale do so at their own risk, although every precaution will be taken to guard against accidents. The sale manager, auctioneers, ringmen and clerks were hired for specific promotional and clerical tasks and have no connection with the contract, handling of the cattle, condition of the premises and assume absolutely no liability.

Delivery offer — At a convenient date after the sale, Lewisfield will deliver all purchases to central locations throughout the United States including Omaha, Neb.; Cleveland, Ohio; Chicago, Ill.; Atlanta, Ga., and Louisville, Ky. Cattle will also be delivered to any other point in groups of ten or more. All purchases are at the risk of the new owner

A large block of rooms has been reserved at the Mount Vernon Motel in Charlottesville. We urge you to make reservations in advance. Mention you will be attending the sale and write directly to Burt H. Verburg, manager, Mt. Vernon Motel, Charlottesville, Va., or call 296-5501.

as soon as bid off, and we strongly urge that they be insured. Insurance will be available on sale day. A condition of the delivery offer is that all cattle going to one location must move at the same time in one joint shipment. Lewisfield will be happy to care for all purchases free of charge for a reasonable length of time after the sale, but since this is a complete dispersion we ask that arrangements be made as quickly as possible.

Lunch — Will be available on sale day.

Further announcements — A complete list of breeding dates and other vital information will be furnished at the sale. Announcements from the auction block supersede any written material.

The females shown on this page are all daughters of Shirgarton Ranger most of which sold in the 1966 sale. Forty-five half-sisters sell in this sale. A nucleus of 10 of the Ranger daughters would lock in uniformity in a small beginning herd and would put the owner well on the way to a top place in the industry.

From the sale manager:

DISPERSIONS are never very pleasant affairs and in this case that is doubly true since Lewisfield incorporated the best of the old Eldak and Westmere herds into an aggressive breeding program. Major successes have been achieved and the breed had come to look to Lewisfield as a major source of supply.

However, the decision to disperse is a necessary one so it behooves every far-sighted breeder of Shorthorns and Polled Shorthorns on the continent to make his plans today to be on the seats at 10 a.m., February 25, for the largest sale of the century.

Just look at these features:

- All of the stock bulls sell! Read their histories in detail at the beginning of this catalog.
- 45 daughters of Shirgarton Ranger sell. Here is the opportunity of a life-time to acquire a nucleus of half sisters it would take years to breed.
- 76 females sell carrying the service of the popular All-American Aberfeldy Gold Dust.
- There are a number of calves by the highly acclaimed Roan Lad of Northwood x and many females carry his service.
- Here is a never-to-be-repeated opportunity to buy from the breed's most venerable and prolific lines — the Missies, the Verbenas, the Windsor Belles and the Duchesses of Gloster.
- Nearly 40 females sell that have been imported from Scotland and Canada or that carry 100 per cent imported pedigrees. Imported females are just not available in these numbers any more.
- Where else can you buy the dam of two International champions? Missie of Eldak 53rd sells!
- Free delivery to central points throughout the United States.
- Almost everything fully guaranteed under the terms of the standard guarantee endorsed by the American Shorthorn Ass'n.

Here is the opportunity of a lifetime. Everyone knows that only in dispersions are the truly great foundation cattle available from any herd. These are the stock bulls and brood cows that, year after year, have produced the winners. They will do the same for you.

This is one sale that not a single breeder should miss. I urge you to make your motel reservations today. Come early. Plan to spend at least a full day, if not two, inspecting this historic offering. The investments you make on February 25 may well have an unending influence on your herd.

Harris Simons, The Shorthorn World.
